"We know that the basteful volume just issued will be one of
the best and most acceptable gift books of the season."—[Boston
Transcript."

the best and most acceptable gift books of the season."— | Boston Transcript.

"The work is beautifully issued in the holiday style of tinted paper, and with handsome binding, and is very unely and abundantly illustrated."—| Beston Journal.

"American poetry has few more beautiful things to boast than some of the pieces of Mr. Willis. They well deserve the samptineus dress in which they are now odered."—| New York Evapelis.

"A rich and beautiful pearl. It is the most splendid book for the holidays that we have seen."—| Christian Observed.

"The illustrations will especially delight all who appreciate art. They are numerous and exquisite, and have all been designed and engraved for this work."—| Phila. Bulletin.

"The typographical and artistic execution of the work is worthy of the beautiful poetry of the illustrious author. To a lady friend the donor who save this book would pay a high compliment to her taste."—| Penn. Inquirer.

"His poems are read, we believe, with more real pleasure than those of any other writer annual us. It should, and doubties will be, the most popular gift book of the season, combining at it does beauty of thought, beauty of expression, and beauty of execution."—[Life Illustrated.

MARVELOUS ADVENTURES
AND RARE CONCEITS MASTER TYLL OWLGLASS.

By
KENNETH R. H. MACKENZIE.

Diverting and Cunning Devices by Aderned with many most Diverting and Canning ALFRED CROWQUILL.
In one elegant volume. Price \$2.50.

"'Tyll Owiglass's' fame has gone abroad into all lands; thus the narration of his exploits has been published in innumerable editions, even with all manner of learned glosses, and translated into Latin, English, French, Dutch, Polish."" (Carlyle. "A book for the antiquary—for the satirist—and the historian of satire—for the boy who reads for adventures's sake—for the grown person loving every fiction that has character in it. Such a book as this is the ancient history of Eulenspiegel."—[London Athenseun. Athensem:

"It will delight young and old; and the careful artistic and humorous designs of Mr. Crowquili will equally please the children both of large and small growth."—I Leader.

"The bibliographical appendix which the editor has added to the volume will be of great interest and value to those who are curious in researches of that kind; but to all the reading public this edition of The Adventures of Tyll Owiglass will be very welcome, as one of the prettiest and pleasantest volumes of the season."—I Critic.

Among the folkbooks of the German nation no one has obtained so wide and general a circulation as that which chronicles the adventures of the strolling wagabond and wise jester, Owiglass. It has been read by all classes, and by all ages. A favorite with the young for its sinusing and quaint adventures, and a study for those who strive by the diligent comparison of different crass on attonal literature, to arrive at a due appreciation of national character, it possesses a peculiar value for the old. In offering the present beautiful edition, clothed in its elegant belief the process the Publishers hope that many readers may find amuse ment and profit in the quaint humor of Master Owiglass.

Publish This Day. THE ARABIAN NIGHTS ENTERTAINMENTS.

BIBLE STORIES, BIBLE LANGUAGE.
1 vol., small 4to, red edges. \$1.

In the following pages the Bible Stories have been given in the language of the Bible, not amplified, nor abbreviated, nor paraphrased, but simply as the Bible tells them. Nor have there been "morals" tacked on to the stories for the children to skip, but each story has been left to impress insensibly with its own teachings.

"The Steries of the Bible, in the words of the Bible, collected for the use of parents and children, by one who heard them from the lips of a mother ere she went to her early rest, and who now associates them with a mother's tenderness and love. Such a book needs no commendation; but the sacred memories which prompted and presided over the collection will endear it to many hearts, and give a pathetic voice to all its blessed lossons."

THE ARABIAN NIGHTS' ENTERTAINMENTS.

THE REV. EDWARD FORSTER.
Carefully Revised and Corrected.
Embellished with 600 Engravings.
One vol.; 1,002 pages, 800.
Price, 83.

This is a new, elegant, and accurate translation of this remarkable collection of Stories by the Rev. Edward Foster, which since the Stories have become a household book, has been an importative want in our literature. The o'd translations were course, inadequate, and mean beyond description. Every reader therefore will be glad to have the Arabian Nights' Extertainments in a garb worthy of them. This work is now confidently offered to the public as one that will be equally acceptable in the family or to the scholar, being a remdering into purely idiomatic English of a series of tales that, after the fables of Filips have extended the largest indicance upon society and manners in the East, and are will capable of diffusing the highest entertainment to both old and young.

NEW AND SUPERB COLLECTION

624 PAGES OF POPULAR MUSIC.

20 Piano-Forte Arrangements of all the principal Melodies from
the most popular Operas.
